EBSCOhost search

1. Select ACADEMIC SEARCH PREMIER DATABASE
2. Click on Choose Databases (near the top of the screen)
3. Select all databases & OK
4. Here are a few search tips that you might want to use:

- Synonyms widen a search
- An asterisk * finds more endings
- Narrow by "anding" terms & by narrowing to subject or title fields, etc.

Narrow by date and/or limit to Scholarly (Peer Reviewed) Journals
