EBSCOhost search

1. Select **ACADEMIC SEARCH COMPLETE** or **EBSCOhost DATABASE**

2. Click on Choose Databases (near the top of the screen)

3. Select all databases & OK (to broaden your search)

4. Here are a few search tips that you might want to use:

   - Widen search with "synonyms".
   - An asterisk * finds variant endings. A ? finds variant letters.
   - Narrow by "anding" more terms & limiting to subjects, titles, etc.
